

Explanation of Services

Event Coordination

ReMixed Events can coordinate individual components to ensure our client's event goes smoothly. This would include identifying vendors, organizing deliveries, and handle logistical tasks.

Event Planning

ReMixed Events work directly with our clients to determine their vision, needs, and budget. Therefore focusing on the big-picture items that make an event memorable.

Event Design

ReMixed Events will work with clients to develop a clear event objective, a profile of the audience or participants, a working budget, and a clearly stated event vision to display their creativity and special touch. As part of event design, the 5 W's serves as a guide.

Event Enhancement

ReMixed Events seeks to provide a current event with increased visibility, awareness, and improved attendance.
